Where's Peter Rabbit

CLUE LIST

Peter Rabbit is making a special appearance at our Easter Bash but we can't seem to find him! Help us find Peter Rabbit by solving the clues and checking these locations!

Example:

The Peter Rabbit loves to eat carrots and candy, but they need to get some fruit in their system for more energy to hop around more! Where can he go for a nice smoothie?

Answer: Jamba Juice!

1

The Peter Rabbit loves to do more than just eat carrots and candy. He also loves to sit down once in a while with some good reading material. Any place in particular the Easter bunny can find that?

2

Peter Rabbit is a busy animal! They are always on the hop to the next place, and this especially gets tough when the easter bunny is hungry. Is there any place where he could grab food quickly and hop away?

3

When Peter Rabbit's friends come and visit him, they all love to hangout together, play games, and lounge around in hammocks looking at the sky and enjoying their nature-filled home. Where could they all go to hangout, play games, and lounge in hammocks?
